The Senior Class of Farm Life High School
Vanceboro, North Carolina

Miss Millstream

Again, in the history of our annual, which is being edited for the 30th year, a Miss Millstream was chosen. The senior class voted by secret ballot and selected Miss Millstream from the girls of the class of 1966.

This honor went to Rhoda Worthington.

School Song

In Craven County's chosen spot,
We have casted in our lot,
Dear old Farm Life School to thee we lift our song,
Near thy level fields so fair,
We shall breathe the balmy air,
While with merry hearts the chorus we prolong.

As the morning sunbeams' light,
Greets thee o'er the forest heights,
So our tribute, we as freely to thee bring.
Youth's true homage full and free,
We thus gladly render thee
Dear old Farm Life School thy praise we freely sing.

To thee, guardian of our youth,
Faithful guide to light and truth,
We, thy children, bring our songs of grateful praise.
And when we shall leave thy halls,
We shall ne'er forget thy calls,
Dear old Farm Life School the scene of happy days,

CHORUS

Sing we a song of our dear Farm Life School
Fondly we love thee still.
And wherever we may be,
Fond mem'ry turns to thee,
And our many friends we have at Farm Life School.

Dedication . . .

To express our sincere gratitude and lasting thanks, we the Seniors of "66" dedicate this our 30th edition of MILLSTREAM to Mr. Michael Averette, an individual who has given us his time, his help, and his understanding of our many problems. It is important to a student to find a link between himself and a teacher. Mr. Averette has been such a link. In his youth we find understanding, in his friendship we find trust. His never ending sacrifices to promote school spirit will be remembered by all. Thank you, Mr. Averette.

Mr. O. K. Gainey . . . Principal

To the Seniors of 1966, I congratulate you for your determination and efforts in attaining this milestone in your educational careers. It is my wish that each of you will continue to develop yourselves physically, mentally, and spiritually so that you may meet those responsibilities that will be yours in the future.

I would like to remind each of you that I will continue to be at your service and I invite you to call on me for any assistance that I might be able to render.

Senior Class History

If it is true that memories hold the keys to happiness, then the members of our Senior Class should brighten the world with its cheerfulness. We certainly have had many unforgettable times and we've even learned a few things! We changed advisers every year, for it is doubtful that any two people, no matter how strong physically or mentally, could have survived the ordeal of our class for more than one hundred and eighty days.

In 1963, our freshman year, Mr. Jean Earl Worthington and Mr. Lee Roy Morris helped each of us—144 Freshmen—adjust to the routine of high school life. Calvin Anderson, Bobbie McLawhorn, Paulette Wetherington, Brenda Smith and Bobby Willis helped guide us as our class officers.

In 1964 we were sophomores, we even thought we were something important to dear old "F.L.S." During our summer vacation I guess 50 of our classmates forgot to return for our second year at Farm Life because we only had 94 to participate in our sophomore activities. Sheryl Taylor, Judy Elliott, Stevie Ipock, Bobby Willis and Eddie Morris were chosen to lead our class. Miss Athleen Turnage and Mr. David Whitfield were our advisers for the year.

In 1965 we had reached the next best step to Seniors—we were now Juniors! Mrs. Nell Haddock and Mr. Lee Roy Morris were our advisers who helped us through our exciting junior year. The first important decision we 68 Juniors made was when we selected our class rings. Paulette Wetherington, Elizabeth Purser, Cathy Lancaster, Robert Jolly and Ray Baysden were our class officers. Helen Duncan and Jerry Wiley were our candidates for Mr. and

Miss Farm Life. Jerry was the lucky one to receive the title of "Mr. Farm Life." Helen was later chosen as Homecoming Queen. We had several class parties and the one at Christmas is remembered most because of the great performance in the field of dancing Derry Roberson gave—cast on his leg and all! We enjoyed our Easter holidays and one of the most important reasons was that we began work on our Junior-Senior Banquet and Prom which was held April 23, 1965 at the Shrine Club in New Bern. "Moon River" was our theme for the evening. We each have treasured memories from the preparation of the prom and from the prom itself. Even though our Junior year was ended each of us were looking forward to the year we had been working toward, "Our SENIOR Year."

We, the fiftieth class to graduate at Farm Life are composed of 61 seniors. We selected David Jarvis as President, Robert Jolly as Vice-President, Mary Beth Kilpatrick as Secretary, Helen Duncan as Treasurer, and Judy Elliott as Reporter to help make our Senior year the best yet. Who had the hooteniest Hootenanny in Farm Life's history? Why the Seniors of course in one of our many efforts to have Bobby Hill and Lois Hoell crowned

Mr. and Miss Fall Festival. They were our candidates and we were really proud of them both. Brenda Smith was crowned Homecoming Queen and Cathy Lancaster was one of her attendants. Jerry Wiley was chosen F.H.A. Beau by all those F.H.A. girls! With Mrs. Vivian Taylor and Mr. Michael Averette as our Senior advisers, we have had a very exciting and memorable year. Even though we have had many experiences that will long be remembered we have many more to look forward to such as the Junior-Senior Banquet and Prom, Alumni Banquet and Prom, Betterment Reception, Baccalaureate Sermon, Class Night, and most of all GRADUATION after which we will face a new life with warm courage and many high hopes!

WHAT WILL THEY SAY?

As high school graduates, the eyes of a community are upon you. Friends, relatives, and parents point with pride to your accomplishment. But what they are saying to you and about you today is not as important as what they will be saying 5, 10, 20 years later. What they will say then depends on what you do in the future.

As you face the future, you have our heartiest wishes for real happiness!

Acknowledgements

Without the co-operation of many fine people our publication would not have been possible. In order to show our sincere thanks and deep appreciation we the staff of the 1966 MILLSTREAM make the following acknowledgments:

To Mrs. Taylor we extend our greatest thanks for her constant surveillance and guidance in planning this edition. Her never tiring attitude and determination has inspired us to work with the diligence that she contributed to our work.

To Mr. Averette our many thanks for his help with the photography and his many suggestions.

To Pictures Inc. for their fine photographic assistance.

And to everyone a special thanks for everything in every way, whether large or small, thank you all.

Incidentally . . .

Mr. Gainey calls for help.

Cathy caught a football.

We won't let you freeze, Mrs. Haddock.

"Study time"

Concluding . . .

Although our four years have come to an end it is not the end. It is not even the beginning of the end, but rather, it is the end of the beginning. Now we have a whole new span of life in which to search and obtain from its crevices the treasures within, which were given to us as a result of our twelve years of preparation.

Our's has been a class of change. We have hoped that the changes we have made and come up against have been for the best. We have tried to follow our motto, "To make the best better," in preparation of this, the best of yearbooks. We not only tried to better our yearbook from that of previous classes, but we have tried to better our class in our attitudes and dispositions. We believe that in order to make the best better we must strive to make better ourselves, our society, and thus, as a result we will have a better world.
